

Cirencester ITI Study Club

MONDAY 17TH MARCH 2025

18:30 — 20:30

The Music Room, Ingleside House,
5 Beeches Road,
Cirencester, GL7 1BN

[REGISTER AT ITIEDUCATION.CO.UK](https://itieducation.co.uk)

OVERVIEW

Join us for an interactive evening to demystify implant occlusion and to enhance your understanding of occlusal terminology and planning for implant restorations. Learn how to use occlusion to control forces through engaging case studies, ranging from single teeth to full-arch implants.

AIMS & OBJECTIVES

- Increase understanding of implants and occlusion, allowing the planning and execution of successful implant restorations.
- Discuss occlusion terminology
- Discuss case studies for single tooth restorations, short span bridges, long span bridges, and full arch restorations

ABOUT DR JOSH SHARPLING

Josh Sharpling is a specialist prosthodontist with a strong commitment to delivering high-quality, patient-centered dental care. He completed his specialist training at Guy's and St. Thomas' Hospital, alongside earning a master's degree in prosthodontics from King's College London. Since completing his training, Josh has been practicing in a multi-specialist referral center on the south coast of the UK, where he focuses on comprehensive and complex dental reconstructions.

Josh's training and experience have fueled his passion for mastering advanced restorative techniques, including the use of digital dentistry to enhance patient outcomes. He believes in a holistic approach to dental care, emphasizing treatment plans that are functional, aesthetically pleasing, and always tailored to meet the unique needs and preferences of each patient.

Josh is an active member of the ITI, and took part in the UK & Ireland YITI Spotlight Speaking Competition – where he finished 2nd, and was chosen to represent in the YITI world series group stages. He has attended and presented at both national and international conferences, sharing valuable insights and engaging with peers.

In addition to his clinical work, Josh is a dedicated educator and mentor. He has taught newly qualified and established dentists and contributed to master's programs in the UK. Recently, he joined RIEPGlobal as an educator, where he is involved in teaching students in the Fellowship of Modern Implantology and Fellowship of Restorative Dentistry programs.

Josh's approach to dentistry is marked by a continuous commitment to learning and sharing knowledge, underscoring his dedication to advancing both his practice and the wider field of dentistry.
